Plan on submitting on submitting your request 2 or months ahead of the expiration date.

HR sends out rosters to Directors each month for the upcoming 3 months. And also has access to a full year of expiration dates.

DON'T let your certification expire!

To enroll for an in-person class, you must plan ahead and sign up for a class at least 2 months before you are due to expire and not wait until the expiration month. If an individual is due to expire in December for instance, but doesn't sign up for one of the available classes by October 31st that individual will be enrolled in the Lifetalent on-line course automatically.
