About Havasu Regional Medical Center

Havasu Regional Medical Center is a licensed 171 bed acute care facility fully accredited by The Joint Commission. Providing 24 hour emergency services, it is also a state certified ALS Base Hospital, authorizing medical direction and support of pre-hospital care providers, fire department paramedic and ambulance personnel. The facility offers a full complement of patient-centered, community hospital and regional referral services in most major medical disciplines, including open heart surgery and neurosurgery. More than 100 affiliated physicians and allied health professionals comprise the medical staff and represent a broad cross-section of specialty areas. More information can be found on its website at www.havasuregional.com.

Located on the west coast of Arizona along the beautiful Lake Havasu and Colorado River, Lake Havasu City, population of 53,000, has earned the reputation as the outdoor recreation Mecca of the Southwest. Blessed by an ideal climate,

captivating scenery, beautiful yet rugged mountains, tranquil desert and azure waters, Lake Havasu's 45-mile long lake is a nautical oasis of natural beauty. Located centrally to Las Vegas, the Grand Canyon, Sedona, Phoenix, Palm Springs, San Diego and Los Angeles, Lake Havasu City is perfectly located to live and work in serenity yet close to large city amenities.
